ENROLLMENT UPDATE

Turning Enrollment Challenges into Opportunities

Challenges include:
• Enrollment dips in Fall
• Student retention rates are lower than expected
• Budget constraints affect program offerings
• Faculty turnover has been higher than anticipated
• Student support services are overextended
• Technology infrastructure is outdated and unreliable
• Campus facilities are in need of significant upgrades
• Student engagement levels are declining
• Academic performance is below target in certain courses
• Student satisfaction surveys show low satisfaction with various aspects of the university experience.

INTERNATIONAL EDUCATION

Mission to Mexico

As our world becomes more interconnected through technology and global economic partnerships, we must prepare our students to succeed in the global market. This mission aims to strengthen our international partnerships and provide opportunities for our students to engage with international educational institutions.
